

CEC CANADA' S LOCAL NEWS PRESS RELEASE DECEMBER 2007: 0001.

## **OUT OF THE MEDITATIONS OF THE HEARTS OF GOOD MEN RISE THE ANSWERS TO QUELL THE RISING TIDES THAT COME TO HAUNT NATIONS IN TROUBLE: CEC CANADA IS AN ORGANIZATION CALLED TO BECOME INVOLVED IN THE EDUCATION OF THE YOUNG OF CANADA TO QUELL THE TIDE OF CHILDREN SLIDING THROUGH THE CRACKS: THE QUESTION IS, WHO PRAYED?**

WHO PRAYED FOR THE BERLIN WALL TO FALL? IT IS CREDITED TO BE A BLESSING OF FAITH: It fell. When God sees his people being held captive in the snares of the Devil, he will take pre- measurements to get his people to agree with him to become involved to effect change. His first step is to draw his Church into prayer, the next is to motivate its people to engage in the spiritual warfare that it takes to save his people. The history of the fall of the Berlin wall is a perfect example: We highly recommend that you go to Google and ask the question – *Who prayed for the fall of the Berlin Wall to fall?*, we send you there because out respect for those who have the sole rights to what is written. What we do have though is a foundational truth that tells us that when even if one man agrees with God good things begin to happen; the Berlin wall fell in answer to the prayers of his children, the full result, the region continues today under the common grace of God, a time period that began with God's servant Noah, and continues across the world today, for the express purpose of giving his created creatures every where the opportunity to turn away from the power of Satan a seat that has held over this world ever since the days of Adam, and to return to him for a crown of life promised to every one that believes.

Knowing that God is the driving force that makes dividing walls fall, and knowing that he uses his servants as instruments of righteousness to co - work with him to get things done according to his will and good pleasure, a will that says, My counsel shall stand, and a good pleasure that says, I have not created the earth in vain, I have formed it to be inhabited with righteous people, it would be at best foolish even perilous for a man drawn into a prayer by God which tells him he is wanted to be involved in the operation of his will, to run from such a call: The history of Jonah is a dramatic story of how God spared a wicked city to save 60,000 innocent children that did not know their left hand from their right hand. This story can be read in full at this address – [www.biblegateway.com](http://www.biblegateway.com) This history came to me as advice and a warning never to say no to the voice of God.

When things come to a crescendo, God will step in to do something to save those who are being prayed for:

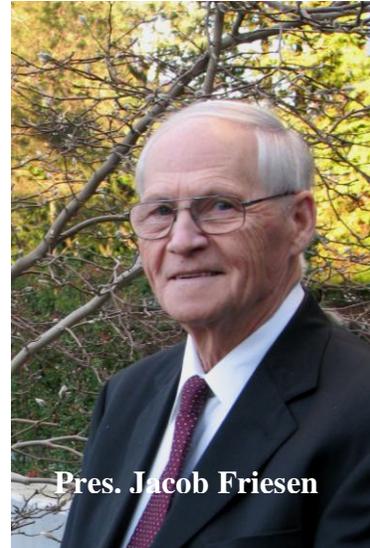

**WHO HAS PRAYED FOR THE CHILDREN OF CANADA, IT APPEARS THAT PRAYERS HAVE BEEN GOING UP FOR SOME TIME, WHY BECAUSE GOD AGAIN HAS ALLOWED IT TO COME TO A CRESEUDO WHERE HIS PEOPLE ONCE MORE WILL AGREE CO-WORK WITH HIM TO EFFECT CHANGE:** His answer to prayer, The call of the CEC Canada Foundation Association, a nation

wide Christian organization has been called to become involved as a leader to help effect change through the education of the young of Canada for such a time as this: Why now? Why not? Because they really are from one generation to another the very soul and backbone that determines the future strengths that this country desperately needs and will need as it moves ahead playing its part in a failing world.
